Batch No: JZT-M02-160105 Best Before: Dec 2016

An Insects Worst Nightmare!

No more pests ruining your enjoyment. The blend of essential oils interferes with insects sense of smell to find you. "If I can't find you, I can't bite you".

All Natural Ingredients: Herbal extracts and a blend of essential oils absorbed into volcanic rock.

APPLICATION:

Open container or put a few scoops of granules onto garden saucers (50 - 100gm) and place around or upwind from the area needing protection. Place under outdoor dining table as well. After 10 – 15 minutes, watch the flies and mosquitoes disappear.

When finished using, return to container for recharging and put the lid on.

MOZZKI granules are strong. As the granules dry out add a little water, (Keep the lid on when not in use).

Recharge them with our liquid Recharge concentrate.

This product is suited for small to medium areas.

SAFETY GUIDELINES:

Keep out of reach of children. Harmful if swallowed. If eaten drink a cupful of water and/or seek medical help.
